## TURN YOUR CHRISTMAS TREE INTO A REAL GIFT!

The York County Solid Waste Authority is conducting a free Christmas tree recycling program for all York County residents. The program starts December 26, 2018 and continues through January 31, 2019. Residents may bring their trees to the parking lot located directly across the street from the Resource Recovery Center in Manchester Township. In addition to the Authority's collection site, the following businesses are accepting Christmas trees: Spring Valley Mulch in Dover, 292-3476 and H & H General Excavating in Spring Grove, 225-4669. Please call these locations for hours and directions. There is no fee to residents for this program. **PLEASE REMOVE: ornaments, tinsel, lights and protective bags from your tree.** Many municipalities now offer curbside Christmas tree collection for their residents. Call your municipal office to see if your municipality offers a curbside collection program.

### **Directions to the parking lot across from the York County Resource Recovery Center:**
