

York County Solid Waste Authority

Serving our community by providing education and resources for responsible waste disposal

Did You Know There Are Ways To Recycle Construction Waste?

Have you ever worked on a home renovation project and wished you could recycle the waste material? After all, if you could recycle the waste, you may pay less to get rid of it and you would be doing good for the environment. We are happy to tell you there are ways to recycle construction waste.

The York County Solid Waste Authority has compiled a list of local businesses that reuse and recycle many common building and landscaping materials. These materials include, but are not limited to:

- Asphalt
- Cabinets
- Carpet
- Concrete
- Countertops
- Doors
- Drywall
- Electrical/Lighting
- Flooring
- Hardware
- Metals
- Plastics
- Roofing
- Siding
- Windows
- Wood

Please click the button below to check out the list of businesses that accept construction materials. Contact them directly for more information related to their business.
