

YCSWA's Annual Household Hazardous Waste Event

Accepted Items:

Driveway Sealant

Flammable Materials (Fuels, Lacquers, Oil-based Paints, Solvents, Stains etc.)

Fluorescent Bulbs, Tube Lights and Lighting Ballasts

Garden Chemicals (Fertilizers, Herbicides, Insecticides, etc.) Household Cleaners (Chemical Strippers, Disinfectants, Stain Removers, etc.)

Mercury Containing Devices and Liquid Mercury

Photographic Chemicals

Pool Chemicals

Rechargeable Batteries (Lithium Ion, Nickel Cadmium, Nickel Metal Hydride, etc.)

Vehicle Fluids (Antifreeze, Brake Fluid, Motor Oil, etc.)

Items Not Accepted (Alternative Disposal Methods Listed Below):

COVID-19 Infected Materials

Hazardous Waste from Businesses and Organizations

Alkaline Batteries

Auto (Lead Acid) Batteries

Ammunition and Explosives

Asbestos Containing Products

Electronics

Fire Extinguishers

Incandescent and LED Light Bulbs

Latex Paints

Medical Waste and Medications

Pressurized Gas Tanks (Propane, Helium, Oxygen, etc.)

Radioactive Materials

Smoke and/or Carbon Monoxide Detectors

Alternative Disposal Methods for Items Not Accepted

COVID-19 Infected Materials – Contact the Centers for Disease Control (CDC) or your physician.

Hazardous Waste from Businesses and Organizations – Contact Veolia Services, Cycle Chem or another hazardous waste disposal company directly.

Alkaline Batteries – Dispose of in regular garbage. If leaking, bag tightly.

Auto (Lead Acid) Batteries – Return to business that sells vehicle batteries.

Ammunition and Explosives – Contact your local police department to dispose of ammunition. Contact your local fire department to dispose of fireworks or flares.

Asbestos Containing Products – Contact Modern Landfill at 717-246-2686.

Electronics – Donate if in good working condition, or recycle at a York County Solid Waste Authority's Electronics Recycling Program location in Manchester Township, Fairview Township or Penn Township (go to staging-yicswa-staging.kinsta.cloud and type "electronics" in search tool for addresses).

Fire Extinguishers – Contact your local fire department or BFPE International (717-741-9980).

Incandescent and LED Light Bulbs – Dispose of in regular garbage.

Medical Waste and Medications – Dispose of needles and lancets in a designated household medical waste disposal return system, or a rigid, lidded container with lid taped shut and labelled "SHARPS – DO NOT RECYCLE" and place in regular garbage. Dispose of radioactive medical waste using the instructions provided by your medical practitioner. Dispose of medications at secure free medication return boxes located in many York County police department lobbies (go to staging-yicswa-staging.kinsta.cloud and type "medication" in search tool for locations).

Latex Paints – Donate if still usable, or mix with kitty litter or shredded paper to absorb liquid, secure lid tightly, bag tightly and dispose of in regular garbage.

Pressurized Gas Tanks – Take to local collection site for reuse (go to staging-yicswa-staging.kinsta.cloud and type "gas tank" in search tool for list of locations), or remove valve and recycle at metal salvage yard.

Radioactive Materials – Contact PA Department of Environmental Protection at 717-787-3720.

Smoke and/or Carbon Monoxide Detectors – Contact manufacturer on smoke detector's label for take-back program or, if no label, dispose of in regular garbage. If device is strictly for detecting carbon monoxide, dispose of in regular garbage.
