

YORK COUNTY SOLID WASTE AUTHORITY

**RECYCLABLE MATERIALS
REGISTRATION STANDARDS
FOR PART II OF RULES AND REGULATIONS**

**PROCESSING OR MARKETING
OF RECYCLABLE MATERIALS**

All capitalized terms used herein, unless otherwise indicated, shall have the meaning specified in the Definitions section of the Recyclable Materials Registration Rules and Regulations.

A. REGISTRATION

1. All Persons in the County who process or market York County generated Recyclable Materials are required to be registered with the Authority.
2. Registrants are required to submit the annual Registration application for processing and/or marketing of Recyclable Materials.
3. A Registrant may not be transferred from the Person to which it was originally issued.

B. REPORTS

1. All Registered processors or marketers of Recyclable Materials are required to submit an annual report to the Authority. Registered municipal entities must submit a DEP Annual Recycling Report for Municipalities to the York County Solid Waste Authority (YCSWA) by February 15th of each year for data collected from the prior year. All other Registrants must submit the YCSWA's Annual Report Form for the Processing and Marketing of Recyclable Materials to the Authority no later than March 31st of each year for data collected from the prior year.
2. An option to substituting the YCSWA's Annual Report Form For The Processing Or Marketing Of Recyclable Materials may be granted on a case-by-case basis at the sole discretion of the YCSWA. The report shall contain at a minimum the same information found on the YCSWA's Annual Report Form For The Processing Or Marketing Of Recyclable Materials.

C. DESIGNATED DISPOSAL SITES

All Recycling Process Residue and rejected materials shall be delivered to the York County Resource Recovery Center.
